10. **OLD BUSINESS:**

**District Comments and Observations of Service Presentation & Summer Assembly**

- GSR and Committee breakouts were very helpful in learning what other districts do and the tips and suggestions we can implement in our district.
  - Possible use of Zelle and/or Paypal for individuals and groups to contribute.
  - QR cards and stickers with phone numbers for the district.
- Service Presentations in May were informative. Felt encouraged to attend assemblies.
- Motions on the floor were particularly difficult to understand before the assembly but were much more clear, listening to all those getting up to ask questions and/or make comments.
- Motions are motions until approved.
- Great need for motions to be as clear as possible - felt most people favored the idea but the wording caused it to fail. Also, be prepared procedurally and to present.
- Majority of the group agreed that a meeting prior to any future motion/s would be helpful, as would person/persons with more expertise on the motion.
- There was a general consensus that the wording of Founder's Writings should not be further altered.
- There is a mechanism whereby an individual, a group, a district, and/or an area can present a letter to the General Service Conference Committee for possible acceptance as a motion at the General Service Conference held each year. It's outlined in The AA Service Manual.
