

NIA 20 Spring Conference

March 13-15, 2026

Calling all NIA 20 members, we need your help!

To honor the great AA tradition, we will be hosting an Alcathon during the Spring Conference. These meetings will make sure that we all have a place to go to if we need some AA fellowship or just need to talk about our sobriety. The success depends on volunteers who run these meetings. Please register for the conference and host a meeting.
