The committee requested a progress report or pilot survey results be brought back to the 2027 Conference Committee on Public Information.
- The revised pamphlet “Understanding Anonymity” (Item P-47) with the new title “Anonymity – Our Spiritual Foundation” be approved.

REPORT AND CHARTER

It was recommended that:

- The question “What happens if a group decides not to hear a GSR report?” be added to Chapter 1 FAQs section in the 2026-2028 Edition of *The A.A. Service Manual/Twelve Concepts for World Service* and that the question and answer be included as follows:

“What Happens if Our Group Decides Not to Hear my GSR Report?”

If a group decides not to hear a GSR report during a meeting, the information can still be shared in other ways. This may include a written report with printed copies, email, group messaging, a shared online document, or posting the report on a bulletin or noticeboard. When utilizing these methods, it is important to respect Tradition Eleven and protect anonymity; so that members’ names are not publicly available.

Hearing the GSR report is important because it helps keep the group connected to A.A. as a whole. As co-founder Bill W. explained, A.A. groups hold the ultimate responsibility for A.A. world services. The GSR serves as the communication link between the group and the larger Fellowship by sharing the group conscience with the Conference and bringing Conference actions back to the group. This two-way communication allows the group to have a voice in A.A., strengthens unity, and provides spiritual benefits by helping members stay informed, involved, and connected to the Fellowship beyond the home group.”

- That a draft of a new “Amendment” section be approved for inclusion at the end of the Twelve Concepts for World Service Section of *The A.A. Service Manual/Twelve Concepts for World Service*.

Recommendations Not Resulting in Conference Action

These recommendations were presented but did not receive the two-thirds vote necessary to become a Conference Advisory Action.

INVENTORY IMPLEMENTATION

- The committee recommended that the Conference inventory process be implemented at a regular five-year cadence, beginning in 2031; that the inventory process include an implementation committee to review and recommend actionable items following each Conference inventory.

POLICY/ADMISSIONS

- The committee recommended that the General Service Board develop a draft plan for the creation of a working group comprised of nine Conference members, with a composition reflective of the ratio of Conference members (i.e., six area delegates, two board members and one GSO Staff member) to improve the selection process of proposed agenda items (PAIs) forwarded to Conference committees, with attention to the topic of workload both at a Conference level and the impact on GSO and GV offices, and that a plan be brought back to the 77th Conference Committee on Policy/Admissions.

- The committee recommended that any changes beyond editorial to the “How the Conference Operates” document be brought for discussion to the Conference Committee on Policy/Admissions one year prior to implementation, to then be utilized at the following year’s General Service Conference.

FINANCE

- The committee recommended that “Self-Support: Where Money and Spirituality Mix” (Item F-3) be updated as follows:

The question and answer regarding the cost per group for GSO to supply basic services on page 11 which reads:

“Q. How much does it cost, per group, for GSO to supply basic services?

A. At the end of 2023, the annual cost of services per group was \$162.72 USD, while the average contribution per group was \$140.09 USD. The shortfall between these two figures is made up from income from A.A. publications.”

Be replaced with:

“Q. How much does it cost, per group, to operate GSO?

A. In 2025, the estimated cost-per-group to operate GSO was \$356.37, the estimated average annual contribution per contributing group was \$344.25, and the estimated average annual contribution to meet GSO operating expenses — if only the contributing groups contributed — would be \$1,045.11. Any shortfall in group contributions is made up from individual contributions and income from A.A. publications.”

Recommendations committed to the General Service Board

INVENTORY IMPLEMENTATION

The committee recommended:

- Conference committees be made aware of all Proposed Agenda Items (PAIs) as they come in through a quarterly PAI Status Grid.
- The Conference members communicate more effectively to the Fellowship that the PAI submission cut-off deadline is only for the immediately upcoming General Service Conference and that year-round submissions are encouraged to promote ongoing discussion.
- The October feedback call be replaced with a Joint Committee meeting between trustees’ and Conference committees, with all members to have a voice and vote on the disposition of Proposed Agenda Items for the next General Service Conference. Background to facilitate informed discussion should be shared with both committees.
- The PAI Status Grid be a living, curated list of items that will remain on the grid until dispositioned by policy or Joint Committee.
- Working committee agenda should be shared prior to Joint Committee meeting for awareness of ongoing projects and annual review items.
- The General Service Conference acknowledge the authority of Conference committees to bring items forward which have not been placed on their agenda or to defer consideration of an item to a future Conference.
